

Map to Kelso Sand Dunes Viewing Area

Instructions to Kelso Sand Dunes

Expect a 3 to 4 hour drive time to this site.

Travel north on 15 freeway past Victorville to Barstow.

At Barstow take the 40 freeway east and continue on towards Ludlow.

Proceed past Ludlow 28 miles and exit at Amboy/Kelbaker road.

At the bottom of the exit turn left and cross under the freeway.

Proceed north 12 miles on the 2-lane paved road.

At 12 miles on your left is a dirt road and sign mentioning "Kelso Dunes".

Continue 3 miles to the parking lot right in front of large sand dunes.

It is recommended that you arrive prior to sunset for setup.

It is acceptable to the Park Department to observe from this site, but camping is not. However, an unofficial camp area is located about 1/4 mile further down this road near the sand quarry.
